WE NEED YOUR HELP TODAY!

HELP CLOSE THE GAP NEEDED TO RAISE THE STEEPLE.

We need to raise an additional \$20,000 by June 20th to raise the Steeple back onto the top of the Meetinghouse. Some of you have supported the Project before and made our progress to this point possible. Some of you have been waiting for just the right time to add your support. The right time is now.

YOUR CONTRIBUTION NOW WILL ASSURE THAT:

- *Money already paid for the staging will not have to be spent again.
- *The restored Steeple Lantern will not wait another winter on the ground.
- *The Meetinghouse will be weather tight before the end of this season.

WITH YOUR CONTRIBUTION WE CAN SET THE DATE TO RAISE THE STEEPLE AND FINISH THIS PHASE OF THE ACWORTH MEETINGHOUSE RESTORATION PROJECT!
